# ANNUAL GIVING

“ I know that when  
I graduate from Weber,  
I will go off to  
college the very best  
version of myself. ”

– Weber senior

“ I have never heard  
this level of thought and  
questioning from my  
child before today.

I finally understand  
what our decision to  
send our daughter to  
Weber truly means. ”

*– 9th grade parent*

*At The Weber School, students  
begin a lifelong love of learning.*

“ My classes range from 8 to 18 kids. When I talk to my teachers, they know who I am and what I’m all about. ”

– Weber junior

## WHO WE ARE

The Weber School inspires our students to become knowledgeable, thinking, responsible Jewish adults. Weber stands on three pillars: academic excellence, a commitment to student-focused learning, and our Jewish traditions and culture. Since 1997, our enrollment has grown significantly as we serve congregations and schools across the city.

## WHAT WE DO

Our transformative academic program prepares students to succeed in the classroom and beyond.

At Weber:

- Leadership is developed and nurtured through peer, faculty and community relationships;
- 75% of our students participate on at least one athletic team each year;
- Our Fine Arts program produces two theatre performances annually;
- Our seniors spend three months living and learning in the Alexander Muss High School in Israel program;
- Community service is an integral part of every Weber student’s experience; we provide students with opportunities to commit themselves to healing our community and our world;
- Graduates are accepted into the nation’s top 10 and top 25 nationally ranked colleges and universities;
- Last year’s graduates earned nearly \$3 million in merit scholarships;
- Currently, The Weber School has more than 300 alumni across the country enriching their communities in meaningful ways, including business, law, medicine and social work.

## WHY YOUR SUPPORT MATTERS

Annual Giving is critical. Your generous contribution supports teacher training and enrichment, financial scholarships, improvements to our athletic programs, expanded fine arts faculty and programming, and enrichment opportunities for our students inside and outside the classroom.

*This is only possible with your support.*

The Weber School takes seriously our promise to engage the head, heart and hand of every student. Your generous contribution enriches our school and empowers today's students to become tomorrow's leaders.

## *Their Education Our Covenant*

“ The academics are impressive, but what I really love is the lack of ‘cut-throat’ competition. Every student truly wants their friends to do well. ”

– 10th grade parent
